

JOINING THE JIFA LEADERSHIP CIRCLE

JIFA JEWISH
INITIATIVE
FOR
ANIMALS

The JIFA Leadership Circle supports institutions — synagogues, Hillels, camps, JCCs, schools, food service and catering companies — to align the food they offer with their institutional values and promote a more ethical and sustainable food system. Together, we're changing the way our community eats and farms.

Align Your Food Choices with Your Jewish Values

The Leadership Circle helps communities promote:

- *Tzedek* | צדק (bringing justice to humans, animals, and our land)
- *Bal tashchit* | בל תשחית (avoiding wasteful destruction)
- *Tza'ar ba'alei chayim* | צער בעלי חיים (preventing unnecessary suffering to animals)
- *Oshek* | עשק (protecting workers from exploitation)

What We Offer

- Receive ongoing free consulting from JIFA staff
- Access best practices and resources for plant-forward dining
- Get expert support to calculate your cost reductions and carbon impact

Become A Member

Leadership Circle members commit to serve fewer animal products using tried and true strategies.

Plant Forward Shift

Members commit to reduce animal products by at least 20% within two years by serving more plant-based foods

By reducing and replacing animal products, institutions can:

promote healthy and delicious plant-based proteins

reduce greenhouse gas emissions

serve higher welfare products

all while meeting their bottom line
